Assessments

Presenter: Renee Erickson

1. Kansas State Assessments must be administered via the following:
 - A. Paper and pencil
 - B. Computer
 - C. Both a and b
 - D. None of the above

The correct answer is...come and learn how to plan and administer the Kansas Computerized Assessment.

Beyond Bullet Points: Taking Your Presentations to the Next Level

Presenters: Brandon Bench and Cammy Todd

Do you want to learn new tools to take your professional development presentations to the next level? Come to this session to learn and create your first Prezi, an online "zooming" presentation tool. You will also learn how to utilize new PowerPoint Add-Ins to enhance your PD presentations.

Glogster

Presenters: Heath Peine and Brad Niessen

Glogster provides an environment to design interactive posters. The user inserts text, images, photos, audio (MP3), videos, special effects and other elements into their glogs to generate a multimedia online creation. This helps students stay engaged in the content and makes learning fun. Glogster.edu provides a safe secure site that can be easily monitored by teachers. Come learn how to integrate this great tool into your classroom!

A Mile a Minute

Presenter: Erin Misegadis

It only takes one site and one minute to take your students way beyond the walls of the classroom. This is a fast paced session that will share a large number of websites and internet resources that can be used to increase student engagement and collaboration as well as increase personal productivity for both you and your students.

Server Cleanup:

Presenter: Heidi Baxter

Are you panicked about what does or doesn't belong on your server? Have questions or concerns? Then come to the "All you need to know about your server but were afraid to ask!" session with Heidi Baxter!

So, What's Your Story? - Digital Storytelling

Presenters: Jenny Gridley and Liz Bayless

Digital Storytelling is a dynamic way to get kids engaged in reading and writing! In this session you will learn how to include digital images in lessons, using Voice Thread and Animoto. Don't miss out on this informative session!

Skype

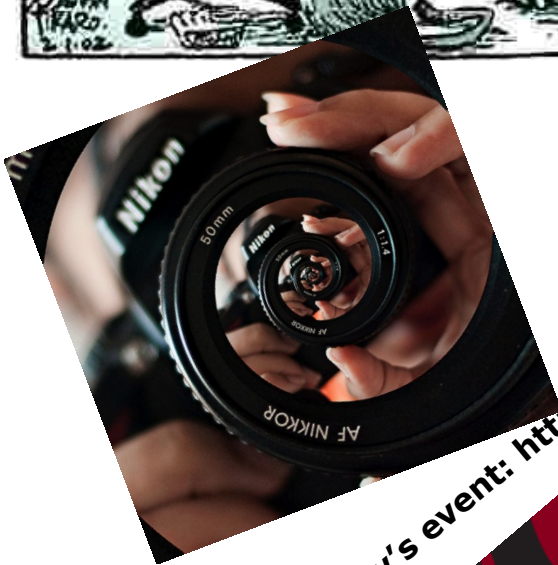

Presenters: Erin Lewis and Jennifer Farha

Something for nothing? You bet with **Skype's** free software download you too can chat away using **Skype's** instant messaging for free. However, Skype even offers you more...you can also make *free* computer to computer phone calls or Video calls! Stay connected with Skype! It is recommended you have Skype already installed and to bring a webcam to attend this session.
